Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231AMENDMENT

Sir:

This is in response to the first Office Action.

IN THE CLAIMS:

Claims 14 to 24, line 1 of each claim, change "1" to --13--.

Claim 13 (amended). A videophone interactive mailbox facility
system including a central data center for processing of
information to conduct a transaction, comprising:

a) a user station having a videophone for viewing
transaction information sent or received to conduct a transaction;
and means for inputting said transaction information into said
videophone; said videophone including a memory chip for storing
said transaction information and an interface chip for interfacing
with said central data center;

I hereby certify that this correspondence is being
deposited with the United States Postal Service in
first class mail in an envelope addressed to, Com-
missioner of Patents and Trademarks, Washington,
D.C. 20231 on
